POST GRADUATE TEACHING COURSES - FACULTY MEMBER

- Pennsylvania Orthopedic Society
State of the Art Total Knee Arthroplasty - Faculty Member
University of Pittsburgh - Harry Rubash, Chairman
May 17-21, 1989, Hamilton, Bermuda
- Bert, J.M.: Custom Femoral Component, Total Hip Replacement:
Surgical Technique, Third Annual Symposium in Custom Made
Prostheses, July 1, 1990.
- Bert, J.M.: Custom Acetabular Component in Total Hip Arthroplasty, Third
Annual Symposium in Custom Made Prostheses, Chicago, Illinois, July 1,
1990.
- Hip and Knee Reconstructive Surgery
University of California, Los Angeles - Faculty Member
October 12-15, 1990, Maui, Hawaii
- 25th Annual Orthopedic & Trauma Seminar
Hennepin County Medical Center
University of Minnesota
Ramon Gustilo, Chairman - Faculty Member
October 15-18, 1990, Minneapolis, Minnesota
- 5th Current Concepts & Total Joint Replacements
Mount Sinai Medical Center
Seth Greenwald, Chairman - Faculty Member
December 4-6, 1989, Orlando, Florida

- 6th Current Concepts & Total Joint Replacements
Mount Sinai Medical Center
Seth Greenwald, Chairman - Faculty Member
December 6-8, 1990, Orlando, Florida
- 7th Current Concepts & Total Joint Replacements
Mount Sinai Medical Center
Seth Greenwald, Chairman - Faculty Member
December 9-11, 1991, Orlando, Florida
- 8th Current Concepts & Total Joint Replacements
Mount Sinai Medical Center
Seth Greenwald, Chairman - Faculty Member
December 7-9, 1992, Orlando, Florida
- International Symposium on the Developments of Total Knee Reconstruction
DePaul Health Center - Faculty Member
August 1-4, 1991, San Diego, California
- Third Annual Conference on Techniques in Science for Successful Joint
Arthroplasty
Dartmouth-Hitchcock Medical Center
John Collier, Chairman - Faculty Member
October 17-18, 1991, Burlington, Vermont
- 5th Annual Boston Knee Symposium
Harvard University - Faculty Member
Andrew Hodge, Chairman
April 15-17, 1989, Cambridge, Massachusetts
- 6th Annual Boston Knee Symposium
Harvard University - Faculty Member
Andrew Hodge, Chairman
April 16-18, 1990, Cambridge, Massachusetts

Harvard University - Faculty Member
Andrew Hodge, Chairman
April 17-19, 1991, Cambridge, Massachusetts
- 8th Annual Boston Knee Symposium
Harvard University - Faculty Member
Andrew Hodge, Chairman
October 20-22, 1992, West Palm Beach, Florida
- The Arthritic Shoulder, Hip & Knee Symposium
University of Utah - Faculty Member
January 6-8, 1989, Snowbird, Utah
- The Arthritic Shoulder, Hip & Knee Symposium
University of Utah - Faculty Member
January 9-11, 1990, Snowbird, Utah
- The Arthritic Shoulder, Hip & Knee Symposium
University of Utah - Faculty Member
January 7-9, 1991, Snowbird, Utah
- The Arthritic Shoulder, Hip & Knee Symposium
University of Utah - Faculty Member
January 8-10, 1992, Snowbird, Utah

- The Arthritic Shoulder, Hip & Knee Symposium
University of Utah - Faculty Member
January 10-12, 1993, Snowbird, Utah
- Arthritic Shoulder, Hip & Knee Symposium
University of Utah - Faculty Member
January 7-9, 1994, Snowbird, Utah
- 1st Annual Hip & Knee Symposium
Jack M. Bert and Jim Stiehl, Chairmen
January 13-15, 1994, Park City, Utah
- Current Topics of Total Joint Replacement
Leo Whiteside, Chairman - Guest Faculty
June 6-9, 1994, Orlando, Florida
- Total Joint Symposium
University of Toronto - Guest Faculty
Michael Gross, M.D., Chairman
September 7-11, 1994, Toronto, Ontario
- Florida Orthopedic Society Annual Meeting
Concepts in Total Joint Replacement
University of Florida - Faculty Member
Augusto Sarmiento, Chairman
October 21-23, 1994, Naples, Florida
- Ninth Annual Total Joint Replacement Symposium
Harvard University - Guest Faculty
W. Andrew Hodge, Chairman
November 2-6, 1994, West Palm Beach, Florida
- Assistant Master Instructor
AAOS-AANA Course on the Arthroscopy of the Knee
December 10-11, 1994, Chicago, Illinois
- Arthroscopy Association of North America, Masters Instructional Course;
Arthroscopic Meniscectomy and Anterior Cruciate Reconstruction
December 11-12, 1994, Chicago, Illinois
- Arthritis Shoulder, Hip & Knee Symposium
Medical College of Wisconsin
University of Utah - Faculty Member
January 9-11, 1995, Snowbird, Utah
- Second Annual Hip & Knee Symposium
Medical College of Wisconsin
Jack M. Bert and Kurt Merkel, Chairmen
January 17-21, 1995, Park City, Utah
- Total Joint Replacement Symposium
Harvard University - Guest Faculty
W. Andrew Hodge, Chairman
October 15-17, 1996, Palm Beach, Florida
- Maintaining Your Orthopaedic Practice II
University of Texas - Course Co-Chairman
April 4-6, 1996, Dallas, Texas
- Maintaining Your Orthopaedic Practice III
University of Texas - Course Co-Chairman
April 17-19, 1997, Dallas, Texas

- Total Hip and Knee Symposium
University of West Virginia - Faculty Member
January 22-24, 1998, Aspen, Colorado

PATENTS

- 1986: In conjunction with Kirschner Medical Corporation for a unicompartmental knee replacement system including instrumentation.
- 1985: In conjunction with Linvatec Medical Corporation, a subdivision of Zimmer Medical Corporation. An electrocautery loop probe utilized for meniscal resection during arthroscopy.
- 1991: In conjunction with Kirschner Medical Corporation for a metal backed cup for total hip arthroplasty.
- 2005: In conjunction with Exactech, Inc for an arthroscopically assisted unicompartmental knee replacement design

PRODUCT DEVELOPMENT

- Development of a unicompartmental knee replacement system used nationally and internationally in conjunction with Kirschner Medical Corporation.
- Development of an electrocautery loop probe for arthroscopic meniscal resection in 1985 in conjunction with Linvatec Medical Corporation.
- Development of an uncemented acetabular cup (the Integrity) with Kirschner Medical Corporation, 1989.
- Development of a biodegradable anchor for anterior cruciate reconstruction in 1990 in conjunction with Linvatec Medical Corporation.
- Development of an all polyethylene tibial component in conjunction with Wright Medical Technology, 1993.
- Development of cement friendly, metal-backed tibial component in conjunction with Wright Medical Technology, 1993.
- Development of a unicompartmental knee replacement system in conjunction with Wright Medical Technology, 2000.
- Development of a unicompartmental knee replacement system in conjunction with Exactech Medical Corporation, 2004
- Development of an arthroscopically assisted unicompartmental knee replacement system in conjunction with Exactech Medical Corporation, 2007-2010.
